Seeing The Dark Knight through the lens of Campbell, Milton, Plato, Hegel, Pascal, Kierkegaard, and the Christian Mythos: A Philosophical Essay

Female murderers often elude firmly established categories as they disrupt the social and symbolic orders of patriarchal societies and call into question the well-oiled mechanisms of their legal systems. There needs to be an interpersonal conflict or else the characters are in danger of lacking dynamics.

Two Women 1 Disease: A story of survival and struggles co-written by both caregiver and cancer patient

It takes the personal symbolism of a secret and private world of correspondences -- a world first articulated, I would argue, by the symbolists -- and shows how the private correspondences are most profound when married to a preexisting and culturally shared symbolism.
