They bring along a year old farmer. The disaster is not the improving impulse. You'd be a fool today to do large arithmetical calculations with pencil and paper when a hand calculator is much faster and almost perfectly reliable don't forget about round-off errorand why memorize train timetables when they are instantly available on your smart phone. There are, of course, sexual tensions and jealousies a-plenty, and a bit of the old in-and-out with Jimmy and Glenna in a shower, and the girls needing to strip down in the sewer to their undies.
