Work, Management, and the Business of Living

After his graduation from the Wit-tenberg law school he moved to Tennstedt, in Thuringia, to train for a public post and met there in the thirteen-year-old Sophie von Kiihn with whom he fell in love.

No Greater Glory: The Four Immortal Chaplains and the Sinking of the Dorchester in World War II

Thanks for telling us about the problem. I love how the story starts off, and it flows from there I forgot how this story started and I remembered what I loved about it and I needed a reread to get myself out of a bit of a book slump.

Two Little Boys that Changed the World

His emotional utterance has a power and an impressiveness such as we rarely meet with in other music. There are some marvelously eccentric touches, e.
